

Booth Buddy™

Backdrops...Up and Out in Minutes

Just 3 Easy Steps!

Remove 9' w x 8' h fabric backdrop and bungees from 15" w x 15" h bag

Slide pole pocket on to horizontal backdrop pole (removal of existing "drapery" is recommended...but optional)

Put bungee cord through grommets on four corners and pull over vertical posts

Description

Booth Buddy™ takes tradeshow backdrops to a whole new level of convenience and efficiency. No more shipping hardware in large, bulky cases. No more charges for "set-up". No more waiting for stored cases. Just open your briefcase, unfold and hang your big, beautiful, fabric Booth Buddy... you're up and out in just minutes

Your Booth Buddy is a full color seamless digital image "dye sublimated" into the fibers of specially treated fabric. This production process gives your Booth Buddy resistance to water, fire, and wrinkles...so you can roll it, fold it, and even send it to the dry cleaners, if dirty...your "Buddy" will be around for a long time!

Features	Benefits
9'w x 8'h fabric graphic fits in 15" x 15" bag	Saves on shipping and transportation expenses
Weighs less than five lbs	Anyone can carry it...anywhere
No tools required...use existing show hardware	Easy, fast, cost effective set-up on standard drapery hardware
Durable, "dye sublimated" seamless fabric graphic	Roll it, fold it, send it to the dry cleaners...won't crack or fade
Hang with or without existing show drapery	Attachment options allow "fast" or "super fast" install/dismantle
